

Wedding & Events

Looking for beautiful, locally grown blooms for your wedding or event? Wayflowering offers several options that are perfect for DIYers, elopements, and flower lovers of all kinds. We invite you to embrace the seasonality of local flowers and trust us to fill your buckets and your designs with gorgeous flowers harvested at their peak. We strive to provide you with the freshest blooms possible, as well as tips for keeping your flowers happy, but we cannot be responsible for their freshness after pickup- that's up to you!

Ordering is simple- begin by emailing us the info at the end of this document, and we will be in touch shortly to confirm your date. We'll send you a proposal, and once it's confirmed, we'll ask you for a non-refundable deposit of \$100 to reserve your flowers.

Flower Bar- Let us liven up your gathering with a beautiful Flower Bar for you and your guests to arrange with. Packages start with 2 buckets of mixed blooms, plus rental snips, set up and local delivery for \$250. Additional buckets can be added for \$95 each. Let us know what you're planning to make and we can customize your buckets to fit your goals and guest list. If you are outside of our delivery range, on-farm pickup can be arranged.

Pick-Your-Own- Enjoy a morning in the flower field picking your own blooms. Great for a group outing or a quiet moment before the excitement of your big day. Buckets and snips provided. We recommend scheduling an appointment 1-2 days in advance of your event so that your flowers have the chance to hydrate fully between harvesting and arranging. Morning or evening appointments are best, to avoid cutting in the heat of the day. PYO entrance fee of \$25 per person (includes one pick your own bouquet) and \$75 per bucket for extra buckets with a \$5 refundable bucket deposit.

Bulk Flower Buckets- No time to pick? With our Bulk Flower Buckets we take care of the harvesting for you and your flowers are cut, conditioned, and ready to design with. Bulk Flower Buckets include 5-8 bunches of a mix of flowers and foliage. Choose between a Bright & Bold or a Soft Pastel color palette. Please be sure to tell us if you have a favorite flower we can include, or if there's something you're not a fan of, and we'll do our best to accommodate. Bulk Flower Buckets are \$95 each with a \$5 refundable bucket deposit. Available for pick up on the farm by appointment, or for limited local delivery for an additional fee.
